

RICE REPORT #10

Name: Aryan Raval

Participants: Aryan Raval, Alton Machen, and Abhi Gupta.

Setting: We met online through Zoom at 7:00 p.m. on Monday, May 1.

Contributions:

We discuss Final Project Prototype Assignment collaboratively and thoroughly.

Aryan Raval (myself): I discussed my final project, which focused on performing sentiment analysis on Twitter using machine learning algorithms and natural language processing. I also described the project's functionality, aim, and purpose.

Alton Machen: They talked about their final project, which explored the impact of economic factors and utilized linear regression analysis on categorical socio-economic data.

Abhi Gupta: They discussed their final project, which involved utilizing regression analysis to predict stock prices by analyzing historical stock data across different time periods.
